Meredith:

Here are PTSLO's updates to Matt's talking points. If you have any questions, please reply all, so that the specific attorney who worked on the relevant portion of the talking points (or I) can get back to you as soon as possible. Thanks.

Hi Bob,

Matt is speaking at an event this week where he may discuss the topics in the attached TPs. You reviewed and updated these in November. Would you mind taking a look to make sure these are still up-to-date? I'll need to provide him with the TPs by tomorrow around 11am if you can take a look before then.

Thanks!  
Meredith

Hi Bob,

Matt is speaking at an event this week, so we are working on a draft speech. I've attached draft TP on ESA/Pesticides that we have in the files so that staff can update or supplement as necessary.

This is a short turnaround, but if you can please provide any updates **NLT 11 am tomorrow**, it would be much appreciated!

Thank you,  
Meredith
